

# PADS

## GOLD SERIES

PADS for maximum adaptability to the workpiece. The Pad with extra-soft backing material adapts perfectly to all profiled and rounded workpieces. The combination of soft backing material and white aluminium oxide produces a surface quality to satisfy the highest demands.

### TECHNICAL SPECIFICATION

<b>Dimensions:</b>	98mm x 120mm x 13mm
<b>Coating:</b>	2-sided
<b>Grit:</b>	Aluminium Oxide
<b>Grit range:</b>	Fine, X-Fine, Super Fine
<b>Equal to:</b>	P100, P180, P220
<b>Backing material:</b>	PU foam (polyurethane)
<b>Foam hardness:</b>	Extra soft, for maximum adaptability

### APPLICATIONS

Application below is a general recommendation for this product. The product can be used for other application as well.

<b>Wood:</b>	<b>Yes</b>
<b>MDF / HDF:</b>	<b>Yes</b>
<b>Lacquers:</b>	<b>Yes</b>
<b>Primer:</b>	<b>Yes</b>
<b>Body fillers:</b>	<b>Yes</b>
<b>Plastics:</b>	<b>Yes</b>
