Applications

- ▶ Planing and rebating
- ▶ Cutting width up to 82 mm
- ▶ Compatible materials include solid wood

Advantages

- ▶ Powerful motor – problem-free continuous use.
- ▶ Handle ideally balanced – facilitates handling.
- ▶ Clean, smooth workpieces – thanks to 12 000 rpm cutter head.

Description

The Electric Hand Planer for professionals! At 12000 rpm, this model gives your workpiece an impressively clean surface.

The performance data of the MHU 82 are something to be proud of: 82 mm (3 1/4 in.) planing width, 22 mm (7/8 in.) rebate depth and planing depth of up to 3 mm (1/8 in.).

Also with the MHU 82: The 800 watt (1.1 hp) high-powered motor was developed, produced and assembled at MAFELL to give the planer the right pulling power.

With the MHU 82-SET you can even carry out stationary work!
