PACKAGE CROSSCUT SAWS

varioCut
HOLTEC

Type F-SHK
with moveable
saw unit

Stand 7/2011

LOGHANDLING | PACKAGE CROSSCUT SAWS | LOGYARDS | SERVICE

variocut
HOLTEC

Type F-SHK
with moveable
saw unit

Package crosscut saw VarioCut as moveable saw unit
Ideal for precise end trimming
A compact high-capacity system

Available with integrated
waste conveyor

Any system length possible due to
self-supporting rail guide

Universal sharpening unit included
in the scope of supply

Available with automatic scanning
of the aligning stanchions

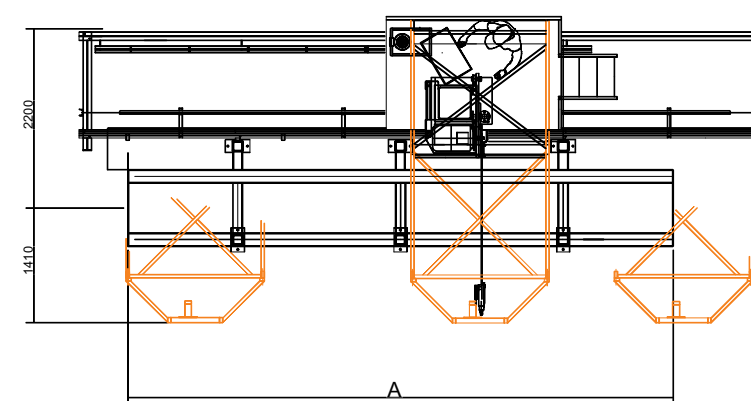

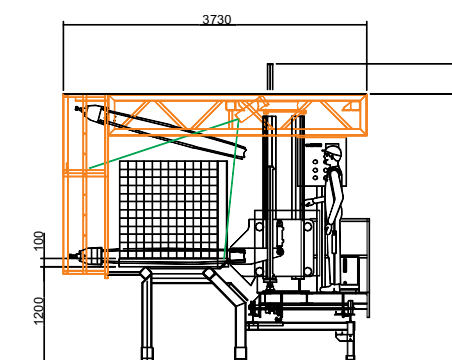

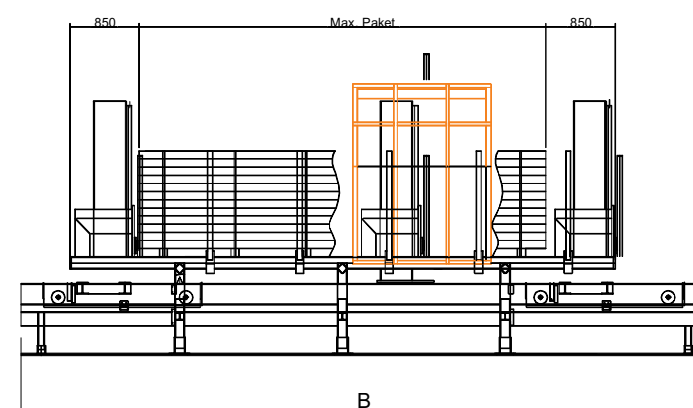

The simplest solution for precise end trimming are our moveable saw units. The Vario-Cut series is tailored to the needs of high-capacity operations. By means of the moveable saw unit the packages remain in their loaded position and are cut to length with highest precision. The rugged saw unit, a vertically running guidance of the guide bar and the possibility of the variable guide bar control from 0 to 15° during the cutting process characterize this machine type. Also suitable for cutting wood based materials of any length.

- Maximum cutting accuracy by cutting assembly guided on both sides
- Safe and easy operation
- Electric positioning
- Hydraulic saw feed, continuously adjustable
- System length up to 20 m
- Guide bar length 160 cm
- Maximum package cross section 1,2 m x 1,2 m
- Saw drive 15kW

Additional equipment

- Positioning control
- Integrated waste conveyor

Technical specifications - standard system

max. Package	A	B
3000	4.700	6.500
4000	5.700	7.500
5000	6.700	8.550
6000	7.700	8.950
7000	8.700	10.500
10000	11.700	12.950

Dimensions in mm

Subject to technical amendments. All dimensions without commitment.

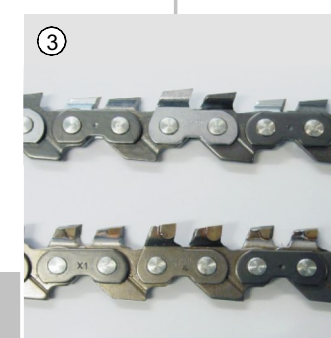

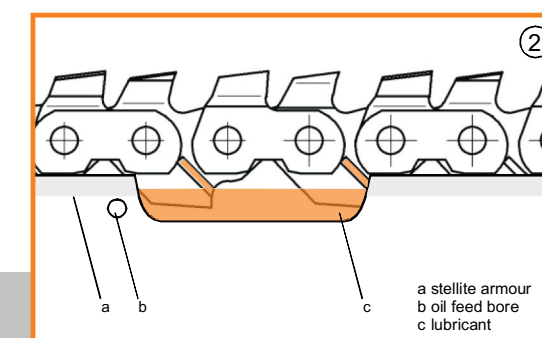

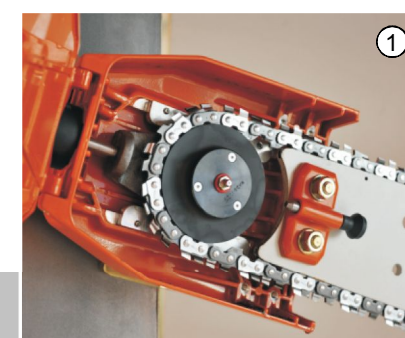

HOLTEC cutting assembly = highest quality

- Guide bar completely stellite armoured and 4-fold turnable
- Equipped with original **STIHL**-chain with patented Oilomatic principle
- **STIHL**-lubrication oil for a long lifetime of chain, guide bar
- Everything from one source
Machine, cutting assembly and service
- HOLTEC sharpening service - for best cutting results and long lifetimes

① Fast chain replacement
without additional tools

② Patented **STIHL**-chain
lubrication system for
long lifetime

③ Available with hard-
chromed or carbide
tipped **STIHL**-scratcher
chain
